

"I was sponsored when there was no one to support our family immediately after my father's death, from then on, I received educational, nutritional, medical, and family support."

Child Sponsorship

When you sponsor, you connect with a child and show them that their future matters. And the key to a bright future is education. Chalice sponsorship supports children to attend and finish school.

Each sponsored child experiences poverty differently. That's why Chalice entrusts the financial decision-making power to those who know best – their parents and guardians. Trained and supported by staff, parents manage sponsorship funds, educate their children, and uplift their whole family.

Chalice provides other building-blocks for success, including nutrition, housing, health, water, and small-business/skills development.

Why sponsorship with Chalice?

My proudest moment was to see one of my sponsored children graduate from the Military Academy. I had sponsored him for several years and had met him in Nairobi at the Starehe Boys Center in Kenya.

In 2018 I went to his graduation and my life was changed forever. I saw how little I had to give to change someone's life forever. He is a remarkable young man.

“He told me he was blessed to have me in his life. I told him -no- I am the one who is blessed.”

- Sharleen D.
